Brief Abstract of Letter

Requests sanction to certain add^l charges required in connection with the Engineering School at Mysore during 1905-06.

NOTES AND ORDERS

Budget for the year 1905-06

The provision made for the Engineering school in the current year's Budget Estimates of the Industrial and other Special Schools in Mysore is Rs 7,070 The pay of Mr Lakshmana Rao, Head Master of this School was raised from Rs 200 to 250

Notes—First sheet

MGCLB—50 000—17 2 0

Q [Serial No] Jeer Mensem (Vide G.O No 3546-8-762 of the 1st November 1904) and the addl cost involved during the current year Rs 600 was met from Savings. ~~Thus the total cost~~ under other heads in the Budget Thus the total cost of the School as sanctioned for 1904-05 is Rs 7,670 as detailed below —

	Budget Head	Provision
1)	Head Master on Rs 250	3,000
2)	Two Asstt Masters on Rs 40 each	960
3)	2 Peons & 4 Lascars at Rs 6 each	432
4)	Contingencies	600
5)	Rent	378
6)	Library	200
7)	Surveying and other Instruments	1000
8)	Furniture	750
9)	Periodicals	50
10)	Travelling allowance	300
	Total	7,670

Of these items 7 & 8 were Special ones sanctioned for the current year alone Deducting the cost of these Rs 1,750 the ~~for~~ annual provision sanctioned

7670 - 1750 = 5,920

2. The D.I. now Recommends

Serial No 1

at the instance of the Managing Committee the following addl charges for 1905-06

		Rs as ps
1	Writer on Rs 15	180 — —
2	Increase of rent from Rs 31½ to Rs 51¼ — 3	237 — —
3	Purgs ———	100 — —
4	Apparatus for 1905-06	1300 — —
5	Furniture ———	310 — —
	Total	2127 — —

Thus the total amount asked for 1905-06 is Rs 5,920 + 2,127 = 8047

3 The Reasons for the increase proposed are fully explained in the D Gs memo

4 If the addl charges are sanctioned, the necessary provision will have to be included in the Budget Estimates of the Industrial and other Special Schools for 1905-06 which has not yet been Subd by the D Gs

5 The balance at the credit of the "Local Funds Govt" to which the cost is debited is Rs 266,831-5-10 at the end of February 1905.

Serial No 2 To the Chief Engr of Mysore
No 11262 dy 8/6/05

Forwards Sl No 1 and requests him to Submit a report on the condition of the School after careful examination by himself or the Supdtg Engineer ~~and~~ together with his opinion on the addl charges proposed by the Dy Cl

3 From- Do — No 4792 dy 21/7/05
Submits the report called for in Sl No 2

The School was examined by the Supdtg Engineer ~~Mr~~ Capt Traill and by the Executive Engineer Mr Raghavalu Naidu copies of their reports are enclosed

~~Mr~~ Capt Traill states that the School has just opened for its third year so that only the two Senior classes have had any instruction, the junior class, whose course is only one year having been only formed very Recently At the end of the 1st year 3 out of 14 Students in the Taluk Masters class passed out and at the end of the 2nd year 11 out of 14 passed in this class From this

NOTE—Contn sheet

Serial No 3

Mr Traill states it is not possible to form a judgment but it certainly points to progress He therefore did not make a Regular examination but examined the Senior class Students orally From the answers given, he thinks that good work is done in the School Mr Raghunatha Nadu examined the drawing work of the Students and he is of opinion that the drawings are fair and neat He has also given some suggestions for giving accurate dimensions in drawing—

2 With regard to the addl charges Mr Traill is of opinion that the following are required

1	Writer on Rs 15	1	Rs 180
2	Huge accommodation involving an addl rent of Rs 237	1	Rs 237
3	Prizes		100

With Regard to the Theodolites and Surveyors Compass at Rs 550 proposed under Apparatus by the Dgl, Mr Traill States that it is not necessary He suggests that in its place 2 addl levels costing about the same may be purchased.

NOTE—Contd sheet

GRS 12]
General and Revenue Secretariat

File No 317 of 1904-05

Serial No 3

He also thinks that a Camera at a cost of Rs 250 is unnecessary. Photography is no part of Capt Traills duties, a luxury and is of very little use to Engineers—

The other apparatus is stated to be necessary.

Furniture

Under furniture the Dept has proposed the purchase of 2 almirahs at Rs 100 each. Capt Traill thinks that the cost is exhorbitant He also states that an office box on Rs 30 proposed seems unnecessary—

To sum up Capt Traill proposes the following addl charges —

Water on Rs 15	Rs	180
Increased rent	"	237
Prizes	"	100
Apparatus including two addl levels in the place of the compass proposed by the Dept	"	1,945
Furniture of which suitable reduction has to be made in the cost of the 2 Almirahs now fixed at Rs 100 each		280
Total		1,742

Subject for orders. The Chief Engineer agrees with Mr Traills opinion

From

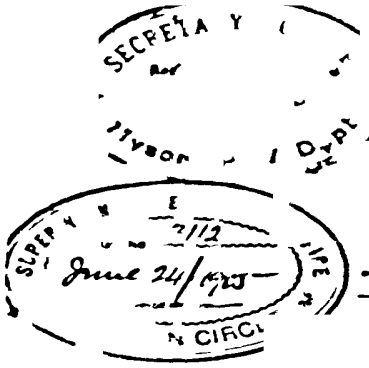
H J BHABHA Esq MA,
Inspector General of Education in Mysore

To

B L Venkatavaradhengar Esq,
Secretary to the Government of H H
the Maharaja of Mysore,
General and Revenue Depts,
Bangalore

I have the honour to submit herewith a memorandum on the budget estimates of the School of Engineering, Mysore, for 1905-'06 The estimates of expenditure for 1905-06 show a slight increase of Rs 377 over the amount sanctioned for the current year The provision for apparatus and furniture will be considerably reduced in future years, and the house rent will be saved when a Government building is provided for the school The school has already proved its success and it is likely to be one of the most efficient and successful schools in Southern India for the training of Upper Subordinates of the P W D

I have the honour to be,
Sir,
Your most obedient servant
H J Bhabha
Inspector General



Memo on the Budget estimates of the School of Engineering Mysore for 1905-6

The Engineering School, Mysore—

At a meeting held by the Managing Committee of the Engineering School Mysore on the 15th March 1905 to consider the Budget Estimates for 1905-6 the following additional charges were approved and proposed for sanction

2 Writer—

There is no writer attached to the School at present and ever since its opening in July 1903 the clerical work has been done by the Head and assistant Masters in their leisure hours. The Committee is of opinion that the time now spent by the Head and Assistant Masters in the clerical work should with better advantage be utilised in preparing fresh drawings and fresh specifications for drawings &c for the use of the students. It is therefore proposed to employ a writer on Rs 15 who will attend to the clerical work

and be in charge of the library and instruments.

3 Rent—

The accommodation in the ground floor of the building now occupied by the School is very inadequate, and the Senior class is being held in 3 rooms during drawing hours. Under such circumstances supervision of the classes is inconvenient and unsatisfactory. Hence it is proposed to occupy the upper storey also for holding some of the classes which will cause an increase in the monthly rent from Rs 31½ to Rs 51¼. The annual rent will therefore have to be raised from Rs 378 to Rs 615. I have inspected the building in person and am convinced of the necessity of additional accommodation.

4 Prizes—

There is no provision for prizes at present. The giving of prizes to successful boys is a strong incentive for diligent study. An annual allotment of Rs 100 is provided for the purpose and it is intended to distribute the

the allotment between the three classes as indicated below —

(a) Sub Overseer Senior class — Rs 40
(b) Draftman ——— do — Rs 35
(c) Junior classes ——— Rs 25

Total Rs 100

5 Apparatus —

Such of the surveying instruments as have not been yet supplied have to be purchased Photography is a highly desirable accomplishment for sub-Overseers and it is proposed to give the students an opportunity of learning the art which will be of great use to them in their professional work Mr Varadachar the professional Photographer of Mysore has kindly consented to devote 2 or 3 hours a week gratis for teaching the art Provision has therefore been made with my approval for the purchase of a Camera with its accessories For the present the students that are desirous of learning the art will be made to pay for the plates and chemicals and the art will be taught as an

optional subject it has been introduced in the College of Puna The approximate cost of all the additional apparatus required will amount to Rs 1300/- which I recommend may be kindly sanctioned

List of instruments required

	Approximated Rs As P

Secs 21/8

As recommended by Captain Traill and supported by the Chief Engr the marginally noted additional charges amounting to Rs 1742 as sanctioned, the amount being treated as a Supplementary grant to the Budget Estimates of the Industrial and other Special Schools in Mysore for 1905-06

2 The Cost of the 2 Almirahs proposed to be purchased at Rs 100 each seems exhorbitant The Dy Dir of Edn is therefore requested to submit revised estimates for them before authorizing the amount mentioned therefor

3 The Suggestion of Rao Raghavalu Naidu contained in Captain Traills Report for improving the subject teaching of Drawing is good and may be adopted
